---

## EDUCATION

**Indira Gandhi National Open University (Dropout)**

Bachelor of Computer Applications [B.C.A]

**New Delhi, DL**

2018 - 2021

---

## WORK EXPERIENCE

**Shivalik Valley Resorts**

(Operations Support)

**Sitapur, UK**

Apr 2022- Dec 2024

- Helping in managing the IT infrastructure. Fixing issues related to systems.
- Helping clients with their queries or any support on ticketing, billing to give them a good experience.
- From managing the restaurant operations to helping with the accounting books, I have worked in all major departments and learnt the working of how a big 150-room hotel works smoothly 24-hours a day.
- Working in a 15-hour shift under the guidance of the leaders has helped me learn a lot from Operations to Logistics to Accounting to Systems Management.
- **Skills learned : Operations Management, Accounting, Systems Management, Customer Service**

---

## CERTIFICATIONS

- Simplilearn's Introduction To Front End Development

---
