Dehradun, Uttarakhand | (+91)-6395833359 | yogeshnegi97@gmail.com | [Portfolio_website](#) | [Github](#)

EDUCATION

Indira Gandhi National Open University   **New Delhi, DL**
Bachelor of Computer Applications [B.C.A]   2021 - 2024

WORK EXPERIENCE

Shivalik Valley Resorts   **Sitapur, UK**
(Operations Support)   Apr 2024 - May 2025

- Helping in managing the IT infrastructure. Fixing issues related to systems.
- Helping clients with their queries or any support on ticketing, billing to give them a good experience.
- From managing the restaurant operations to helping with the accounting books, I have worked in all major departments and learnt the working of how a big 150-room hotel works smoothly 24-hours a day.
- Working in a 15-hour shift under the guidance of the leaders has helped me learn a lot from Operations to Logistics to Accounting to Systems Management.
- **Skills learned : Operations Management, Accounting, Systems Management, Customer Service**

CERTIFICATIONS

- Simplilearn's Introduction To Front End Development

PROJECTS

Referral Tracking Platform (MERN Stack) *React, Node.js, MongoDB, Express, Stripe, Tailwind CSS*
